

## **Andrea Pininfarina Eurostar 2005**

**Automotive News Europe, the European edition of Automotive News, the world's most authoritative automotive magazine, has awarded Andrea Pininfarina the Eurostars Prize for 2005.**

*Turin, september 2, 2005* - Andrea Pininfarina, CEO of Pininfarina S.p.A., is one of the Eurostars 2005 nominated by Automotive News Europe. Now in its 8th edition, the prize is assigned to top managers who have particularly distinguished themselves in the business sectors covered by their respective automotive companies.

This is the motivation for the award: "Under his guidance, new contracts have been successfully closed for the production of the Alfa Romeo Brera and Spider, the Volvo C70 coupé-cabriolet, the Mitsubishi Colt coupé-cabriolet and the Ford Focus CC. In addition to consolidating the company's traditional activity in design, Andrea Pininfarina has given a new momentum to product and process engineering activities".

The award will be made on September 12 during an evening organised by Automotive News Europe at the Frankfurt Motor Show, in the presence of top representatives from the world car industry.
